

Block Fix 70

Block laying Adhesive

MSDS Material Safety Data Sheet

1. Identification of the Substance/Preparation and Company

Product Name: Block Fix 70

Product Description: Block laying Adhesive

Manufacturer/Supplier: **Carbolink India Private Limited**

Address: 105, 1st Floor, Bhavya's Arcade, Above BATA Showroom,
Erragadda, Hyderabad- 500018

Contact Information: +91 9246399551,
info@carbolinkindia.com

Emergency Contact: +91 8885099551

2. Hazards Identification

Eye Contact: May cause irritation, redness, and watering.

Skin Contact: Prolonged contact may cause dryness, irritation, and dermatitis.

Inhalation: Dust from the product may cause respiratory irritation.

Ingestion: May cause discomfort and irritation to the digestive tract.

3. Composition/Information on Ingredients

Block Fix 70 is a mixture of Portland cement, fine aggregates, and proprietary additives. The product does not contain any hazardous components that require reporting under applicable regulations.

4. First Aid Measures

Eye Contact: Immediately rinse eyes with plenty of water for at least 15 minutes. Seek medical attention if irritation persists.

Skin Contact: Wash affected area with soap and water. Remove contaminated clothing. Seek medical attention if irritation develops.

Inhalation: Move the affected person to fresh air. Seek medical attention if symptoms persist.

Ingestion: Rinse mouth with water. Do not induce vomiting. Seek medical attention immediately.

5. Firefighting Measures

Flash Point: Non-flammable

Extinguishing Media: Use water spray, foam, dry chemical, or carbon dioxide.

Special Fire Fighting Procedures: None required.

Unusual Fire and Explosion Hazards: None known.

6. Accidental Release Measures

Personal Precautions: Wear appropriate protective equipment to prevent eye and skin contact. Avoid inhalation of dust.

Environmental Precautions: Prevent product from entering drains or waterways.

Methods for Cleaning Up: Sweep up and collect the material in a suitable container for disposal. Avoid creating dust

7. Handling and Storage

Handling: Avoid contact with skin and eyes. Avoid creating dust. Use in well-ventilated areas.

Storage: Store in a cool, dry place. Keep containers tightly closed when not in use. Protect from moisture.

8. Exposure Controls/Personal Protection

Respiratory Protection: Use a dust mask if airborne concentrations are high.

Hand Protection: Wear protective gloves to avoid skin contact.

Material Safety Data Sheet

Block Fix 70

July 2024, Version MSDS/01.001

Eye Protection: Wear safety glasses with side shields.

Skin Protection: Wear long-sleeved clothing and protective footwear.

9. Physical and Chemical Properties

Appearance:	Free-flowing grey powder
Odor:	Odorless
pH:	Alkaline
Boiling Point	Not applicable
Melting Point:	Not applicable
Flash Point:	Non-flammable
Solubility in Water:	Slight

10. Stability and Reactivity

Stability: Stable under normal conditions of use and storage.

Conditions to Avoid: Avoid moisture and high humidity.

Incompatible Materials: Strong acids and bases.

Hazardous Decomposition Products: None known.

11. Toxicological Information

Acute Toxicity: Low toxicity if swallowed.

Chronic Toxicity: Prolonged or repeated exposure may cause skin irritation and respiratory issues.

Carcinogenicity: This product is not classified as a carcinogen.

12. Ecological Information

Ecotoxicity: No data available on the product itself.

Persistence and Degradability: Not applicable to inorganic substances.

Bioaccumulation Potential: Not applicable.

Mobility in Soil: No data available.

13. Disposal Considerations

Dispose of in accordance with local, state, and federal regulations. Avoid releasing product into the environment. Material should be recycled or disposed of in a landfill in accordance with regulations.

14. Transport Information

UN Number: Not regulated

Proper Shipping Name: Not regulated

Transport Hazard Class: Not regulated

Packing Group: Not regulated

Environmental Hazards: Not applicable

15. Regulatory Information

This product is not classified as hazardous under applicable OSHA regulations. It does not contain any hazardous substances that are reportable under EPCRA, SARA Title III.

16. Other Information

The information provided in this MSDS is based on current knowledge and experience. It does not constitute a warranty or guarantee of product properties. The user must ensure suitability for the intended application and assumes all responsibility for use.
