

SL - C13

Commercial Self-Leveling Cement

MSDS Material Safety Data Sheet

1. Identification of the Substance/Preparation and Company

Product Name : SL-C13

Product Description: Commercial Self-Leveling Cement

Manufacturer/Supplier: **Carbolink India Private Limited**

Address: 105, 1st Floor, Bhavya's Arcade, Above BATA Showroom,
Erragadda, Hyderabad- 500018

Contact Information: +91 9246399551,
info@carbolinkindia.com

Emergency Contact: +91 8885099551

2. Hazards Identification

SL-C13 may cause irritation to the eyes, skin, and respiratory system. Prolonged exposure may cause sensitization or allergic reactions.

3. Composition/Information on Ingredients

This product contains a blend of cement, special fillers, and additives designed for self-leveling applications.

4. First Aid Measures

Inhalation: Move to fresh air. If breathing is difficult, administer oxygen. Seek medical attention if symptoms persist.

Skin Contact: Wash skin with soap and water. Remove contaminated clothing. Seek medical attention if irritation develops.

Eye Contact: Immediately flush eyes with plenty of water for at least 15 minutes. Seek medical attention if irritation persists.

Ingestion: Do not induce vomiting. Rinse mouth and drink plenty of water. Seek medical attention immediately.

5. Firefighting Measures

This product is non-flammable. Use extinguishing media suitable for surrounding fire. Wear appropriate protective equipment and self-contained breathing apparatus.

6. Accidental Release Measures

Wear protective clothing to avoid contact with skin and eyes. Contain the spill and avoid generating dust. Collect the material in a suitable container for disposal. Wash the spill area with water.

7. Handling and Storage

Handling: Avoid contact with skin, eyes, and clothing. Do not breathe dust. Use in well-ventilated areas.

Storage: Store in a cool, dry place away from moisture and incompatible materials. Keep containers tightly closed.

8. Exposure Controls/Personal Protection

Engineering Controls: Use in well-ventilated areas.

Personal Protective Equipment:

Respiratory Protection: Wear a dust mask or respirator.

Skin Protection: Wear protective gloves and clothing.

Eye Protection: Wear safety goggles or face shield.

General Hygiene: Wash hands thoroughly after handling.

9. Physical and Chemical Properties

Appearance	Grey powder
Odor	Odorless
pH	Alkaline when mixed with water
Boiling Point:	Not applicable
Flash Point	: Not applicable
Solubility :	Slightly soluble in water
Specific Gravity:	Approximately 1.3 kg/liter (powder)

10. Stability and Reactivity

Stability: Stable under recommended storage conditions.

Incompatible Materials: Acids, aluminum, ammonium salts.

Hazardous Decomposition Products: None under normal conditions of use.

11. Toxicological Information

Prolonged or repeated exposure may cause skin and respiratory sensitization. Eye contact may cause serious irritation. Ingestion may cause discomfort or irritation to the gastrointestinal tract

12. Ecological Information

This product should not be allowed to enter waterways. It is not expected to have significant environmental impact if handled and disposed of properly.

13. Disposal Considerations

Dispose of in accordance with local, regional, and national regulations. Avoid release to the environment.

14. Transport Information

This product is not classified as hazardous for transport. Ensure that containers are secured and labeled according to regulations.

15. Regulatory Information

This product complies with all applicable local, regional, and national regulations.

16. Other Information

The information provided in this MSDS is based on current knowledge and experience. The user must determine the suitability of this information for the particular conditions of use. Carbolink India Pvt. Ltd. assumes no liability for damages resulting from the use of the product described in this MSDS.

Preparation Date: August 26, 2024
