

# Pitch Mark

Water based, Concentrated  
High Covering Coating

Pack Size

Bucket - 20Kgs

Bucket - 10Kgs

Jerry Can - 5Kgs

## TDS Technical Data Sheet

### Description

Carbolink's Pitch Mark is a water-based, concentrated, high-coverage coating specially formulated for marking grass playing fields.

### Intended Uses

- Marking grass for soccer, rugby, cricket, hockey, netball, volleyball, and athletics tracks.
- Painting logos on fields and other surfaces.
- Creating temporary parking bays for special events.
- Demarcating areas for festivals and events.
- Marking trees for felling or directional arrows on tree bark.

### Features

- Water-based, lead-free, solvent-free, VOC-free, and formaldehyde-free.
- Formulated to grow off with the grass, not wash off.
- Does not damage turf.
- Suitable for use with Automated Line Marking Machines.

### Product Information

Appearance	Semi-Gloss.
Colour	Available in Black, Blue, Green, Orange, Red, White, and Yellow
Specific Gravity @ 25°C	1.33 depending on colour
Viscosity @ 25°C	75 to 80 seconds KU

### Application Details

Mixing	Stir thoroughly with a flat paddle before adding to the tank.
Method	Spraying / Brush Application
Thinning	Water recommended.

Cleaning	Use water for cleaning.
Substrate	Suitable for grass, shale, clay, tarmac, and dirt surfaces.

## Application Environment

Surface Temperature	Min 10°C or 2°C above dew point, Max 40°C
Ambient Temperature	Min 10°C or 2°C above dew point, Max 40°C
Relative Humidity	Min 10%, Max 85%

## Drying time

Touch dry 30 min @ 25°C

Dry to handle 60min @ 25°C

Overcoating 4 hours @ 25°C

## Storage

- Shelf life. 12 months from date of manufacture when correctly stored and unopened.
- Store away from direct sun, heat and severe cold. Do not exceed 50°C.
- Keep containers tightly closed.

## Transportation

**Shipping Name:** Not classified

**Packaging Group:** Not classified

**Hazard Class:** 4-H-C

**S.I.N/UN Number:** Not classified as dangerous for transport

## Surface Preparation

- Ensure turf is dry before applying Go-Mark
- Stir Pitch Mark turf marking liquid thoroughly before use.
- Pour diluted Pitch Mark turf marking liquid through a strainer into line marking machine or application device.

## Cautions

- Do not paint during inclement weather or if the temperature is below 10°C.
- Never add thinners/solvents to this product.
- Line marking machine or application device needs to be cleaned on a regular basis to remove sludge and contaminants. Failure to do so may result in product failure which is beyond the control of the manufacturer.

## Safety Precautions

- Keep out of reach of children.
- Ensure good ventilation during application and drying.
- In case of skin contact, wash with soap and water or a recognized skin cleaner. Avoid contact with eyes.
- In case of contact with eyes, rinse immediately with plenty of water and seek medical advice if symptoms persist.
- If ingested, give plenty of water or milk. Do not induce vomiting. Seek medical attention.
- Refer to the Material Safety Data Sheet for complete information.

## Pack Size

20Kgs, 10Kgs & 5Kgs
